

HOPE and FOOD

Nearly 2,500 hotel workers including housekeepers, dishwashers, bellmen, and banquet servers who are negotiating for a new contract have been threatened with a lockout by the 8 luxury hotels that comprise the L.A. Hotel Employers Council.

Your support and encouragement are needed as these hard working members of our community stand up for their rights. Please:

1. **Commit your organization/congregation/union to picketing with the workers** in the event of a lockout once a week at one of the EC hotels:

Downtown: Bonaventure; Wilshire Grand, Hyatt Regency, Biltmore
Valley: Sheraton Universal
Westside: Century Plaza, Regent Beverly Wilshire
West Hollywood: Hyatt Sunset

2. **Donate to the Workers Hardship Fund** to assist those workers and their families who are in financial difficulty and need help during this campaign. (We suggest a donation of one day's income if possible). Donations can be made electronically on the CLUE website at CLUELA.org or mailed to CLUE Hardship Fund 215 W. 6th Street 12th floor LA 90014.
